A CONCURRENT RESOLUTION CREATING THE APPROPRIATIONS ADVISORY COMMISSION; PRESCRIBING ITS PURPOSES, POWERS AND DUTIES; PROVIDING FOR THE APPOINTMENT OF ITS MEMBERS; REQUIRING A REPORT TO THE LEGISLATURE.

BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA, THE HOUSE OF REPRESENTATIVES CONCURRING:

That there be created an independent legislative agency to be known as the "appropriations advisory commission" which shall consist of a director and two (2) assistant directors, each of whom shall be appointed by joint action of the speaker of the house of representatives and the president of the senate to serve for a two (2) year term beginning on the first Monday following the adjournment of the 1957 legislature, with their successors to be similarly appointed to serve a two (2) year term on the corresponding day of every second year thereafter.

BE IT FURTHER RESOLVED That the headquarters of the appropriations advisory commission shall be at the state capitol and that the clerk of the house of representatives and the secretary of the senate shall provide the commission with the necessary office space and make available to the commission such clerical and stenographic assistants as may be required by the commission to carry out its duties and functions.

BE IT FURTHER RESOLVED That the appropriations advisory commission shall have the duty of gathering, compiling, assembling and preparing, for orderly, clear and concise presentation to the legislature such information as may assist the legislature in establishing a sound, reasonable and judicious appropriation for the operation and maintenance of each of the various state functions during the succeeding biennium.

BE IT FURTHER RESOLVED That, in order to carry out its duties, the appropriations advisory commission is empowered with the right and authority to inspect and investigate the books, records and physical plant of any agency in this state for which an appropriation is to be, or has been, made. In addition, the commission shall have access to the records of the state comptroller's office and of the state auditing department in order that the information available in such departments as a necessary adjunct to the duties of those offices may be utilized by the appropriations advisory commission in the performance of its duties.

BE IT FURTHER RESOLVED That the objective of the commission shall be to inform the legislature how the various state agencies are expending the funds previously appropriated to them; to compare current month-to-month and year-to-year expenditures with one another and with past month-to-month and year-to-year expenditures; and to clearly indicate to the legislature the emphasis being placed upon expenditures, both within and without a class of expenditures, by the various state agencies. Thus informed as to the relation-

ship between past appropriations, past expenditures and past purposes, the legislature will be better able to determine sound, reasonable and judicious future appropriations in the light of future purposes.

BE IT FURTHER RESOLVED That the director may make and enforce reasonable rules and regulations to facilitate the functions and duties of the commission.

BE IT FURTHER RESOLVED That not less than sixty (60) days preceding the convening of any regular session of the legislature the appropriations advisory commission shall submit to each member of the appropriations committee of the house of representatives and of the appropriations committee of the senate, to the speaker of the house of representatives and to the president of the senate, a report, under one cover, of all information specified in this resolution.

BE IT FURTHER RESOLVED That no member of the appropriations advisory commission shall actively engage in any other business or profession; nor shall he serve as a representative of any political party, or on any executive committee or other governing body thereof, or as an executive, officer or employee of any political party, committee, organization or association, or be engaged on behalf of any candidate for public office in the solicitation of votes, funds or otherwise. No member of the appropriations advisory commission shall become a candidate for election to public office while so employed.

BE IT FURTHER RESOLVED That any state or county officer who shall wilfully fail or refuse to furnish or produce any book, record, paper, document or other data necessary to the function of the appropriations advisory commission shall be removed from office.

BE IT FURTHER RESOLVED That the members of the appropriations advisory commission shall, before entering upon the duties of their office, take and subscribe to the oath of office required of state officers by the constitution, and shall give bond, with any surety company authorized to do business in Florida as surety, in the amount of five thousand dollars (\$5,000.00), payable to the governor, conditioned upon the true and faithful discharge of their duties. If any member, within thirty (30) days after receiving notice of his appointment, shall fail to file with the secretary of state the required oath and bond, such appointment shall be of no effect and another appointment shall be made. The annual premium for all bonds shall be paid out of any funds provided for the operation of the commission.

BE IT FURTHER RESOLVED That expenses incurred incident to the functioning of the appropriations advisory commission shall be paid out of the legislative expense provided by §11.12, Florida Statutes; provided that no such payment shall be made until the voucher shall have been approved by the chairman of the house administrative committee and the chairman of the senate management committee.
